ABOUT US

Since its establishment, Capital Root LIVE TRADING has been commendably successful and consistent with its performance and trading history. Currently, it is regarded as one of the best, most beneficial, brilliantly successful companies in the industry of forex trading and investing.

we are secured with the latest server security technology, highest encryption level and we stay protected 24/7.

Our clients choose us because they want to speak with experienced brokers who understand their investment objectives and the role derivatives can play in achieving them; and appreciate that this personalised service extends throughout our post-trade support and customer service teams.

OUR SERVICES

Capital Root is a full-service brokerage that offers a wide range of experience and advice for institutional and individual investors. We execute, clear and settle on a host of global indexes and markets. If you want to understand more about our brokerage services then please contact one of our brokers.

As a leading Options Broker in the UK, Capital Root can help you protect your wealth, generate additional income and trade tactically using options, equities and futures. Please click on the icons to find out more.

HOW CAN CAPITAL ROOT HELP ME?

We have designed Capital Root to help retail investors understand how to harness the power of options for:

- 1. Protection: Use options to hedge your exposure to sharp market falls in your existing wealth.**
- 2. Income: Generate additional income underwritten by your equity holdings.**
- 3. Positioning: Trade market direction, volatility and time with or without leverage, and with a clearly defined and understood risk/reward profile.**

Capital Root reflects who we are and what we do – a full-service voice execution broker that is looking forward to talking with you about your trading and investment goals.

*** AMC Group was ranked 86 in the 2020 The Sunday Times Top Track 100 Companies**
